Rule Name	Rule Description
Transit Times	It is the Supplier's responsibility to contact the above carriers to verify transit time. Each shipment must ship on the proper day to deliver as defined by Textron. A "2-day transit time", does not include the day of pick-up, Saturday, Sunday.
Premium Freight Procedures	All Premium Freight Shipments must be shipped collect to Textron. All Suppliers must notify their Textron site contact before shipping ANY Premium Freight shipment - NO EXCEPTIONS. All Premium Freight will be processed & initiated under direct Textron authorization. A Premium Transportation Authorization Number (PTA#) is issued by Textron and must appear on the Bill of Lading & in the Notes/Reference field of all parcel carriers.
Premium Freight - Air	All Next-Day Air shipments from the USA must be pre-authorized by the PTA provided by Bell Helicopter Buyer.
Next-day air shipments	Please refer to the Premium Freight Procedures for all next-day air shipments.
FedEx Ground Shipments	No individual package/carton shipped via FedEx can be >150 lbs in weight or dimension. FedEx shipments can't be palletized, they must be shipped individually. Please contact FedEx to obtain shipping documents, information and tools to ship collect.
FedEx Ground Collect	An account number is not required to ship via FedEx Ground Collect. (and/or) Contact FedEx Ground Collect at 1-800-GO-FEDEX for help.
FedEx Priority > 10 lbs	Any FedEx Priority Overnight Air shipment 10lbs or over must contain one or more characters in the reference field to be considered as Routed.
Customs Brokerage / Clearance	For all Customs Brokerage and Clearance (U.S - Canada), please contact UPS-SCS Inc. at (450)971-6500 Ext. 2444, email: tdigenova@bellhelicopter.textron.com. A complete, accurate and detailed copy of the commercial invoice and Canada customs invoice MUST be sent with all shipments. The Supplier/Vendor and/or Exporter of the goods shipped to BHTCL shall be responsible for the full reimbursement, including any applicable interest charges, to BHTCL of any penalties that are invoiced to BHTCL by the Canadian Border Services Agency (CBSA) and/or the United States Customs Border Protection Agency (CBP) resulting from any inaccurate, false and/or incomplete information provided, issued or declared by the Exporter of the goods to CBSA, CBP and/or BHTCL.
Communications - Delivery Issues or Problems	If there are any delays or problems with material delivery, please immediately contact our Transport Logistics department Yannick Fugere at 450-971-6500, ext. 2010 or Jimmy Cardin at 450-971-6500, ext. 2861 or email : TransportLogistics@bellhelicopter.textron.com.
Non-Compliance	Failure to comply with the above instructions will likely result in supplier performance penalties and charge-backs of premium freight or any other financial penalties to Textron. Any extra freight cost incurred by BHTCL for not following the Routing Instructions will be debited from your account plus an administrative fee. Any deviation from these shipping instructions must be authorized in writing by the BHTCL Management prior to shipment.
Routing Guide Problems / Concerns	If there are any problems with this routing guide, Please Call Destination Textron Contact
Declaring Insurance	Bell Helicopter Textron Canada Ltd(BHTCL) is insured for all shipments FOB origin. Do not declare value for insurance on the waybill or bill of lading of the carrier since all shipments are covered by our blanket insurance policy (no declared value). Any insurance fees billed to BHTCL by the carriers will be debited to your account plus an administrative fee.
Same Day Shipments	All orders shipped the same day must be consolidated on one waybill or bill of lading.
Containers and Shipping Documents	All containers and shipping documents must show BHTCL purchase order numbers and package numbers. A copy of all paperwork(packing list) must be inside the container as well as outside in a pouch envelope.
Drop-Ship Orders within the USA	All drop-ship orders sent within the USA are to be sent FedEx Ground (ship Collect). Transit is 24 hours to 5 days depending on the origin of the shipment. For pick up call 1-800-GO-FEDEX. Please call site for account number. For all suppliers within the USA you may only use FedEx Air Priority One Service (next-day transit) at the request of Bell Helicopter Management (ship collect). Please call site for account number.
For all 48 contiguous states	All standard modes < 12,999 lbs ship to Bell Helicopter Mirabel c/o FedEx Trade Networks, 156 Lawrence Paquette Ind. Dr., Champlain, NY 12919 Hazmat Shipments: Ship all hazmat material directly to Bell Helicopter Mirabel, QC.
Shipments through FTN Champlain, NY (consolidation point)	U.S. Shipper must still attach commercial invoices with export shipments to Canada via FTN in Champlain, NY. Bell Helicopter Textron Canada must be shown as the consignee/buyer on the commercial invoices.
Lineal Foot Rule: 151 – 12,999 lbs. utilizing 20 feet+ of trailer	When the safe loading of a single piece requires that it occupy all or a substantial portion of the trailer, an LTL carrier's lineal foot charges may apply. Therefore, if the total shipment weight is between 151 - 12,999 lbs, and its footprint occupies more than 20 lineal feet of trailer space, then please contact Bear Transportation (800-426-8156) for pickup.
Insurance / Declared Value	DO NOT declare a shipment value for carrier insurance purposes.
